THE WORLD OF CUNZITE

THE
**Core
Collection**

Its the essence of Cunzite.

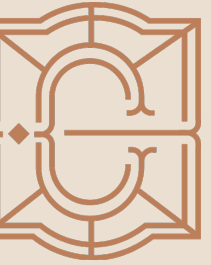

Inspired by the brilliance of gemstones, each fragrance radiates energy, elegance, and individuality. These are bold yet refined scents, crafted to become personal signatures, expressive, confident, and unmistakably modern.

Designed to be worn with intention, the Core Collection captures the balance of light and depth, clarity and warmth. Each fragrance adapts to the wearer, evolving on the skin and reflecting personality, mood, and presence.

This is where the Cunzite story begins.
Vibrant. Elegant. Unapologetically you.

CUNZITE

The Core Collection

Kunzite

Inspired by the Kunzite gemstone, a symbol of harmony and emotional balance, this fragrance reflects calm confidence and radiant positivity. Soft yet expressive, it captures the beauty of balance, where elegance feels natural, and presence feels effortless.

Bright notes of bergamot, mandarin, and orange open the fragrance with luminous freshness, gently flowing into a delicate floral heart. As it settles, warm amber and smooth cedarwood create a comforting finish, wrapping the skin in serenity and quiet sophistication.

A fragrance of balance, elegance, and modern femininity, Kunzite is a signature that feels as beautiful as it looks.
